ADDRESS:

The Hon Secretary,
Goomeri & District Show Society Inc,
P.O. Box 64,
Goomeri Qld 4601

GENERAL RULES: This Show is conducted subject to the rules of the Queensland Chamber of Agricultural Societies, the constitution and rules of the Society and any regulation which appears within the Schedule for individual sections of this Show. Should there be any conflict between the rules of the Queensland Chamber of Agricultural Societies, the constitution and rules of this society and the regulations appearing in any schedule, the constitution, rules and regulations appearing in this schedule of this Society shall prevail.

ACCEPTANCE OF ENTRIES: The attention of intending exhibitors is drawn to the fact that entries are accepted subject to the rules of the Queensland Chamber of Agricultural Societies and to the Constitution and Rules of this Association in addition to any special regulations which appear within this Schedule. Please refer to each section.

The Society reserves the right of refusing or cancelling any entry without giving reasons for doing so.

PRIZE MONEY: All prizes are paid on the authority of the award entered in the Judge's Book. When such prizes are paid, to whomever they are paid, the Society's responsibilities cease, and no claim can afterwards be entered. All prize winners are requested to obtain prizes from the Secretary's Office on Show days. Where the prizes are stated as having been donated by a particular person or company, they take the place of the Society's prizes, and are not in addition unless expressly stated. In the event of a tie, prize money will be divided. In awarding trophies, the committee may provide prize money and trophy to the value of the stated trophy.

EXHIBITS: Where display space is limited, preference will be given to prize winning exhibits. No exhibits may be removed without the consent of the Stewards. Exhibits entered in the wrong class by the Exhibitor may be transferred to the proper class by the Stewards.

JUDGING: The Judge need not award any prize to an exhibit that in his/her opinion does not comply with the conditions. In the judging of Livestock, all questions as to the eligibility of any exhibit with reference to age or breed shall be decided by the Judge. If necessary, judging the class may be deferred until the Exhibitor has produced proof. The Judge may award Second prize if the exhibit is not worthy of a first and shall not award any prize if the Exhibit is not considered to be sufficient merit.

STEWARDS: Stewards are responsible for the return of all exhibits to owners. The Judge is to be furnished with a Schedule of Prizes, but no information as to the name or place of the owner of the exhibits. Stewards shall affix prize cards and any ribbons to the Prize exhibits.

PROTESTS: The Steward of each section shall settle any dispute arising there in, but the exhibitor has the privilege of lodging a written protest against any decision thus given, which will be dealt with by the Committee, whose ruling is final. All protests must be lodged with the Secretary in writing with a deposit of \$50 not later than half an hour after the award has been made. The deposit, in any protest considered frivolous will be forfeited to the Society.

SOCIETY'S RESPONSIBILITIES: All competitors compete at their own risk. The Society will not be responsible for any accident that may occur to any exhibit at the Show, and it shall be a condition of entry that each competitor shall hold the Association harmless and indemnify it against any legal proceedings arising from the accident. The Society will not under any consideration, hold itself responsible for any loss, damage or miss delivery of livestock or other exhibits at the Society's show.

Any prize not claimed during the Show will be forfeited to the Society. Exhibitors and persons admitted to the grounds shall be subject to the Rules, Regulations and Orders of the Stewards and are required to pay normal admission prices unless exempted by the Association. The foregoing Rules and Regulations, Rules of the Queensland Chamber of Agricultural Societies, and the Notes as set forth in the Schedule are the conditions of competition. Any matter arising not specially provided for in the foregoing shall be determined by the Committee, whose decisions shall be final.
